

## Sign up for a Team

Each 7<sup>th</sup> Grade Student will participate in one Team. Read the details of each Team listed here and sign up for the Team you are most interested in. Team participation and projects will account for 50% of your grade! Non-participating team members will be assigned to random office-related duties.

### Photographers

This group will be in charge of taking photos of SAS students, teachers and staff at school-related events as appropriate. Events will include holiday events, sporting events, special masses, special school events, student-of-week/month, field trips and more. The Photographers will edit all photos and prepare them for the school blog, web site, office display and yearbook. Photographers will also assist teachers with downloading and editing photos for school use and will work closely with the yearbook team. [Note: this team will adhere to SAS A.U.P. policy and will respect students, teachers and staff who do not want their photos taken or who do not have parental permission to have photos taken.]

Class 7A or 7B	Name

### Video Crew

This crew will be in charge of taking video of SAS students, teachers and staff at school-related events as appropriate. Events will include holiday events, sporting events, special masses, special school events, student-of-week/month, field trips and more. The Video Crew will edit all video clips and prepare them for the school blog, web site, and where appropriate. They will also assist teachers with downloading and editing video for school use. [Note: this team will adhere to SAS A. U. P. policy and will respect students who do not want to appear on film or who do not have parental permission to appear on film.]

Class 7A or 7B	Name

### Journalists

This team will be responsible for reporting on school events. Events will include holiday events, sporting events, special masses, special school events, student-of-week/month, field trips and more. The Journalists will work closely with the Language Arts teachers to edit and publish the weekly school news blog. They will also work with the photographers and video crew to include visuals for stories.

Class 7A or 7B	Name

### Yearbook

This team will be responsible for creating the SAS Yearbook. They will work closely with the Language Arts teachers and the Technology teacher to ensure that the Yearbook meets high quality standards. They will use an online publishing application to develop the yearbook.

Class 7A or 7B	Name

### Technicians

The Technicians will learn how to troubleshoot and repair computers and other electronic equipment as appropriate. They will assist teachers and staff with their technical needs. They will work, closely with the IT manager to maintain equipment and systems and will offer training on equipment as needed.

Class 7A or 7B	Name

### Marketing

The Marketing Crew will create and distribute school related information, promotions and PR. They will work closely with the Language Arts teachers and the office staff for marketing purposes. For example, this team will create flyers for the annual school play and may help create promotional brochures for students seeking Student Council Office.
